Re: *Approval of the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Time Warner Telecom Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*
Docket No. 99-00797

Dear Mr. Waddell:

BellSouth and Time Warner inadvertently filed their arbitrated interconnection agreement with the Tennessee Regulatory Authority ("Authority") on January 17, 2001 under Docket No. 01-00063 rather than filing the agreement under the arbitration Docket No. 99-00797. The parties respectfully request that the arbitrated interconnection agreement be correctly filed under the arbitration Docket No. 99-00797.

The Agreement contains the provisions that were successfully negotiated between the parties, in addition to certain provisions that reflect the decisions of the TRA acting as arbitrators pursuant to Section 252 of the Act. In executing this Agreement, BellSouth and Time Warner do not waive any further recourse they may have as a result of the decisions of the TRA.

Pursuant to section 252(e) of the Act, the Authority is charged with approving or rejecting the agreement between BellSouth and Time Warner within 30 days of its submission.

Thank you for your attention to this matter.

Sincerely yours,

Guy M. Hicks
